---

Hi Dan,

The CCH did a dilution study for Kailua WWTP (shared outfall with MCBH WWTP). Please see attached. I'm not sure if we sent this to you.

Since the public notice permits were written based on the renewal applications, I was thinking this new dilution study should be evaluated by CWB after the permits are issued. If needed CWB can modify the permits.

Please let me know your thoughts.

Thanks,  
Darryl
